

**General Usage**  
**statbook mac version 3.2.2**  
**mac os 10.5.8, intel based processor**  
**baseball**  
**ERROR:**  
**database error 19**  
**Stat.Batted may not be NULL**

**I entered my team of 17 players and was 'playing' with the software before my season starts. I added a new player to my roster, then I tried to add him to a game. This is when the error occurred.**

**Any ideas?**

**Mark**

This has been fixed in version 3.3.
